dealers who are allotted Binny Mill goods by turn are required to sell the allotted goods to the retailers of the district to which they are attached not exceeding on the aggregate 500 yards to a retailer in a month.

10. *Local Mill Goods (goods manufactured in Mysore Spinning Mills, Minerva Mills and Krishnarajendra Mills).*—Allotment will be arranged to the Wholesale dealers through Purchase Authorities from this office. The Wholesale dealers should purchase the allotted goods within 8 days of from the date of the Purchase Authority (for purposes in calculating 8 days the date of Purchase Authority should be excluded). They should not hold back goods from offering to retailers. Where the attached retailers fail to purchase the goods before 8 days from the date the wholesale dealer sends intimation to the retailer concerned, the quota may be treated as lapsed and may be sold to any retailer within the area or the taluk to which the wholesale dealer is attached. But a retailer who receives regular allotment from the attached wholesale dealer and purchases lapsed quotas from the other wholesale dealers attached to the same taluk or the area should not purchase in the aggregate a quantity exceeding 600 yards in a month.

Under no circumstances, the Wholesale dealers should sell local mill goods to a retailer outside the area or the taluk to which he is attached. The Wholesale dealers should note on the purchase slip attached to the retail licenses the details of sales as at present (entries relating to first sale or freesale).

The Wholesale dealers who receive Mettur longcloth should sell equitably to the attached retailers where the retailers are attached to the Wholesale dealers and in case the retailers fail to lift the goods, the same may be sold to the retailers in the taluk not exceeding 4 pieces to a retailer. Where retailers are not attached, Mettur longcloth may be sold to the retailers of the taluk or the area to which the Wholesale dealer is attached not exceeding 4 pieces to a retailer.

12. As regards Mettur Mull the Wholesale cloth dealers who have their place of business in Bangalore, should offer 50 per cent of their stock for allotment by this office, the balance 50 per cent may be sold to the attached retail dealers not exceeding 2 pieces to a retailer. Wholesale dealers outside Bangalore Corporation should sell the allotted goods to the attached retailers equitably and in case they fail to receive the goods in 8 days from the date of intimation, by Wholesale dealers the quota may be treated as lapsed and sold to other retailers of the taluk or area attached not exceeding 2 pieces. These issues should also be noted in the purchase slip attached to the licenses, and should be counted outside the quantitative limit fixed for sale of the local mill goods or Bombay, Ahmedabad Mill goods.

13. The Wholesale dealers should not sell sound goods (either local mill goods or Bombay, Ahmedabad and other mill goods) to the readymade dress manufacturers in the State.

14. *Fents and Seconds.*—Where seconds or fents of local mills are allotted to the Wholesale dealers and where they are permitted to sell to readymade dress manufacturers without permit either from this office or from the Deputy Commissioners concerned, the wholesale dealers are permitted to sell fents and seconds to the Readymade Dress Manufacturers in the district to which they are attached not exceeding 400 yards in the case of seconds and not exceeding 100 pounds in the case of fents to a readymade dealer. Fents and seconds of Bombay, Ahmedabad, Sholapur and other outside mill goods may be sold to the retailers or to the Readymade Dress Manufacturers in the district to which the wholesale dealer is attached. In the case of seconds the sale should not be more than 1,500 yards to a retailer or to a Readymade Dress Manufacturer and in the case of fents it should not exceed 400 pounds. The above sale is within the quantitative limit of 1,500 yards fixed for sound goods to a retailer from a Wholesale dealer.

15. *Binny Fents and Seconds.*—Allotment of Binny fents and seconds will be confined to Readymade Dress Manufacturers in Bangalore which will be issued on permits to be issued by this office. Readymade Dress Manufacturers outside Bangalore Corporation should obtain the supplies of fents and seconds on permits to be issued by the concerned Deputy Commissioners or from the Wholesale dealers attached to their areas and they should not approach this office for allotment.
